SONIC SCRUBBER® POWER CLEANER

This is the greatest pro detailer for cleaning and detailing your motorcycle. It cuts scrubbing time by 50 to 75% by reaching into those hard to clean areas. The Sonic Scrubber® comes with a scrubbing head that is interchangeable with the **optional** brush set and runs on 4 AA batteries which are included. This powerful, lightweight designed eliminates cleaning fatigue. It has an angled head to reach difficult to clean areas to prevent knuckle scrapes. Its small size makes it easy to carry and store and is water tight for easy cleaning. The Sonic Scrubber is a must have item and makes a great gift. Use it on your bike, car, trailer, boat, and even in your home.

SONIC SCRUBBER® INTERCHANGEABLE BRUSHES

The brush set gives you the flexibility to use difference size heads and textures for your task requirement. The set consists of 4 heads for use with the Sonic Scrubber®. **Lug Nut, Cone, Large and Soft**. You will want both the power cleaner and brushes for a complete set.

SONIC SCRUBBER® MESH BAG

To round out your set, you will want the mesh bag that is made to hold the Sonic Scrubber® and all four brushes, perfect for trunk or saddlebag.
